Price Comparison

The UK price index examples taken below were produced by way of desk research conducted in May 2021.

Area	Per job
Scotland	£175
Wales	£160
Northern Ireland	£125
North West England	£90
North East England	£145
Midlands	£105
East Anglia	£125
London	£250
South East England	£200
South West England	£170

There were fluctuations in the prices across the country, but companies and clerks who offered the services tended to bundle other offerings into their packages.

There was a disparity between how some companies marketed their offerings – some had general house sizes for residential properties (i.e.. 1-3 bedrooms, 4-5 bedrooms, 6-8 bedrooms), whereas others charged for certain area sizes, which is difficult to do without already having a floor plan.
